## YEARS OF PREPARATION

Having sojourned through four years of preparation,  
We, the class of '58, have now reached our graduation;  
Looking backwards to the success we have attained,  
We realize that there's much more to be gained.

Having prepared ourselves to meet the problems of mankind;  
We thank you, Norton High, for the experience we could find;  
And we cannot help but remember the learning  
That, inside those portals, kept us constantly yearning.

Having recalled the warm spirit that made us one,  
We, the Norton Lancers, have gained the victory to be won;  
Learning to play the game of life and to play it well,  
We have surpassed every obstacle that in our way befell.

Having finally reached that sense of erudition  
Which has helped us make life's important fruition,  
We now look toward many more years of preparation  
In hope that we may always be an aid to our great nation.

## DEDICATION

Because of his deep interest; his patient instruction and unstinted service; sympathetic understanding and sincere devotion; we, the class of 1958, dedicate our yearbook, the "Sojourn," to our advisor and friend, Mr. Frederick E. Kelley.

# IN APPRECIATION

To Mr. Randall:

We, the class of 1958, wish to express our appreciation for his helpful administration and time and efforts to aid us in preparing for the future.

To Mrs. Findlater:

We, the class of 1958, deeply appreciate her special interest and guidance throughout our school years, which has, indeed, helped us to choose our field of service.

To Mr. Yelle:

We, the class of 1958, want to thank him for his greatly needed aid and advice in those problems which we, by ourselves, were unable to solve.

# SCHOOL HISTORY

The class of 1958 will be the third class to graduate from the present high school. All other classes, since 1906, have graduated from the first high school in Norton which is at the center and is now used for primary grades.

The construction of the present high school began in 1954, and, on October 14, 1955, the new building was dedicated by Dr. John J. Desmond, Jr., Massachusetts Commissioner of Education. The dedication ceremonies were conducted by the graduating class of 1956.

Now, in 1958, the school has been in operation for three years.

The new school is, of course, vastly superior to the old one. It has increased science facilities, a dark room, a special home economics room, a beautiful library, and an industrial arts room. This last room has made possible the development of a manual training program previously lacking in the high school. The new school also has enlarged physical education facilities. These include a baseball diamond, girls' softball field, and space for future tennis courts. There is also a standard size gym and auditorium.

There has been an equally dramatic change in the size of the faculty. It has grown from three in 1906 to twenty-eight at the present time. At that time, the principal had to include teaching in his duties. We now have a full time principal and assistant principal.

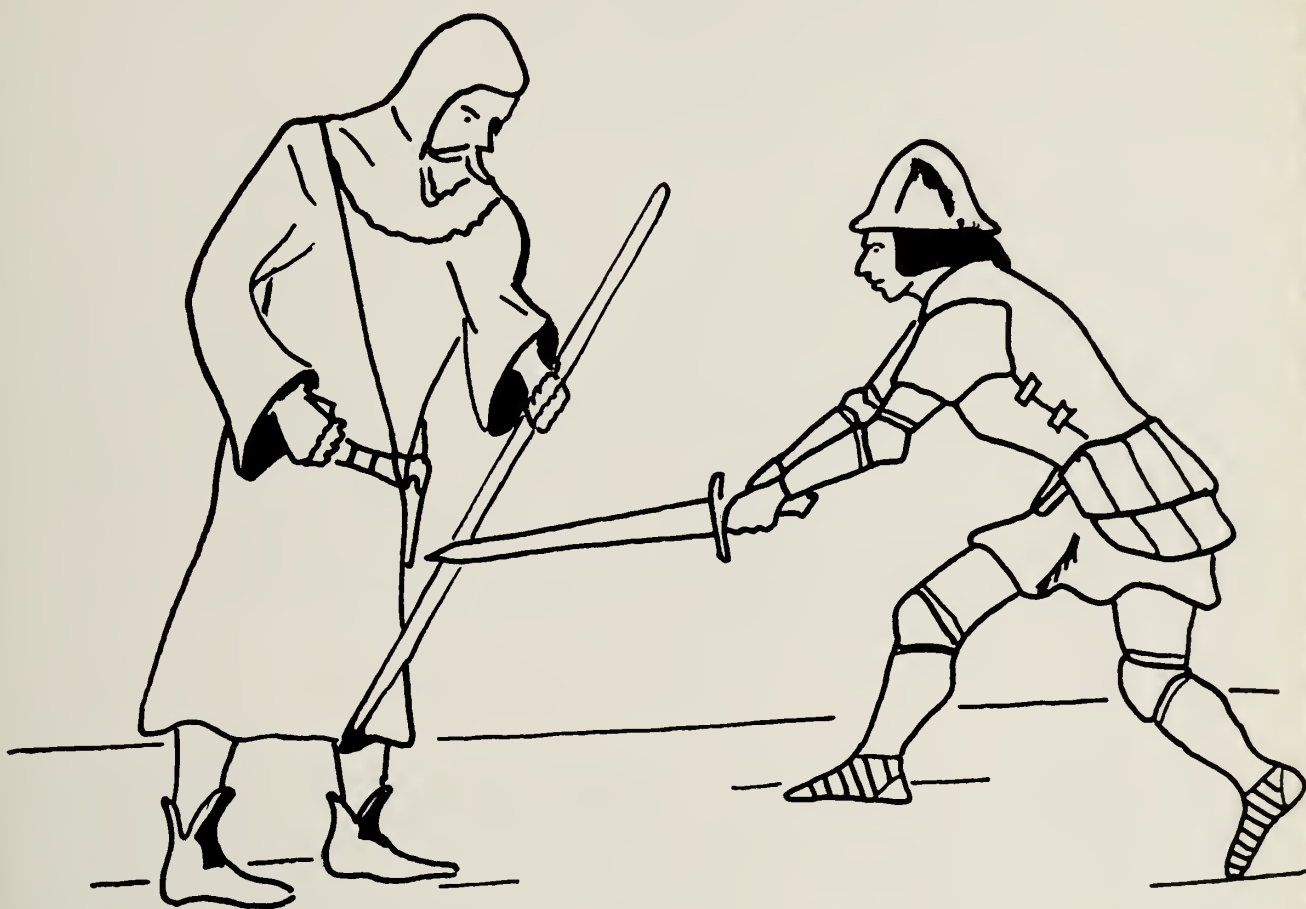

This increase in the teaching staff has made possible an improved and expanded program in studies at Norton.

## PRINCIPAL'S MESSAGE

The annual yearbook is the last major project for our Senior Class. It will be a source of enjoyment in years to come, especially when members are together. I know the staff will produce a fine book.

The final year is at hand. It was only a few years back when graduation from high school appeared to have been an insurmountable task. Those "mountains" have been smoothed and soon the class members will attack new problems.

The members of the Student Council and the Gold Key Society have assisted most helpfully in the betterment of our school. The editors and staff who published the school magazines and those who did mimeographing have helped to advertise our school.

We find that all must make contributions of time, talent, and money in order that progress might become possible. Our school has improved because more of the pupils have participated in school advancements.

We are grateful for the many contributions which the class of 1958 has made. The faculty wishes the members success in any future line of endeavor.

Charles S. Randall  
Principal

## SUPERINTENDENT'S MESSAGE

The most popular word in 1958 is Science. The public is now aware, as never before, of the importance of the teaching of science. You, as High School graduates of 1958, will have to adjust to the problems of the space age. In college, business, industry or the home, scientific problems will confront you. You must meet this challenge with all the technological training you have acquired. But more important is your readiness to keep on learning in this field. However, scientific education is not the only need today. Fully as important as progress in science is the promotion of American democracy and the preservation of peace through understanding. The citizen of today will need, in order to meet today's challenges, both scientific training of the highest order; and broad, fundamental education in the social studies and the humanities--human relationships.

## REMEMBRANCES

by Anne Skolnik

As we are now on the brink of saying good-bye  
To our fellow students and teachers of Norton High,  
We recall the remembrances of the past twelve years,  
And the thoughts of leaving fill our eyes with tears.

When we were freshmen, our minds bent on fun,  
We little realized that our true work had only begun.  
We were steeped in books; our thoughts not yet mature,  
We tried to clothe our uncertainties, with actions seemingly demure.

The new Norton High School was built our second year,  
And up to date, our lives have partly been molded here.  
We learned our lessons and we partook of activities,  
And we cheered our Lancers on to many victories.

But now we are Seniors standing on the threshold of life,  
Young and eager; we hope ready to face outer strife.  
We shall always love Norton and cherish her thought,  
We shall always remember the happiness she brought.

# CLASS HISTORY

We began our high school career in 1954 as lowly pages preparing ourselves for the journey to battle. Miss Ann Bruno and Mr. Frederick E. Kelley advised us and we were led by Don Roy, President; Jim Tierney, Vice President; Dan Vargus, Secretary; and Joan Rand, Treasurer. Dan Vargus was soon replaced by Dick Post as Secretary. In October we held our first money making event, a roller skating party. A Thanksgiving assembly was put on with a play "Thanksgiving Family Style" in November. In February we held another, this was on the topic of Patriotism.

Our second year we began as squires in a new location, our new high school. Don Roy remained our President with Cynthia Winsor, Vice President; Carolyn Miller, Secretary; and Grace Lynch, Treasurer. Mr. Kelley was again our advisor and Mrs. Charlotte Hamden came to aid us. In May of our second year we conducted an assembly arranged like a television broadcast.

The preparation for battle began in earnest in our third year. Our leaders were Don Roy, Carolyn Miller, Diane D'Angelo and Joan Phillips. Mr. Kelley and Mrs. Hamden joined forces again that year to advise us. During American Education Week we held an assembly "Colonial and Modern." More money was raised in February for the class trip by holding a square dance, "The Promenade Prance." As Juniors we put on the Junior-Senior Prom and had a wonderful time planning the theme and decorating the cafeteria as "La Rue de Paris."

Finally we were Seniors and as Lancers we were ready to begin our journey to battle. We never would have made it without the advise and aid of Miss Grace Kiernan and Mr. Kelley. Carolyn Miller became our President, Don Roy our Vice President, Diane D'Angelo our Secretary, again, and Jean Carney our Treasurer. In September we jointly sponsored the "Get Acquainted Dance" with the Student Council. Our athletic ability shone when we won the first track meet at Norton High. More money was raised for our class trip by holding a harvest supper which was soon followed by the Senior Class Play in November. Everyone roared as the Seniors presented "Meet Mr. Co-ed." To increase our enlarging funds we sold Christmas cards and held a dance, "St. Nook-Nick." After having acquired all the necessary funds we took our class trip to Washington, D. C. and New York.

June approached, the long hard journey to battle was over - the battle was won and graduation was attained.

# OUR ADVISORS

MISS GRACE B. KIERNAN

MR. FREDERICK E. KELLEY

We, the Senior Class, give our many thanks to our advisors for their guidance and aid in our various activities throughout our high school years.

# CLASS TRIP

Chaperones take time to rest.

Governor's Mansion.

Bright and early on February 24, we, thirty-four seniors and our faithful chaperones, Mr. and Mrs. Kelley and Miss Kieran, left Attleboro for New York. There we continued south by train as far as Baltimore where a steamer awaited our tired group. In this venerable ark we sailed down the Chesapeake.

We landed at Norfolk, Va. early Tuesday morning and from there went on a tour of Yorktown, Jamestown, and colonial Williamsburg. At dusk we sailed back up the Chesapeake to Baltimore.

On our third day accompanied by our guide, Billy Buttons, we visited the U. S. Naval Academy at Annapolis, the Franciscan Monastery, Smithsonian Institute, the Lincoln and Jefferson

"What did we do?"

Williamsburg's Capitol

Good place for Nancy and June!!

Memorials, and the Congressional Building. That evening we honored a night club with our presence.

Thursday we really did Washington. We saw the Washington Memorial, the White House, the Bureau of Engraving and Printing, Mount Vernon, and Arlington National Cemetery. That night the Casino Royal featuring the Diamonds kept us out until the wee hours of the morning.

On the fifth day we took leave of Billy Buttons and our National Capitol and traveled to New York. Here we went to Radio City Music Hall where we saw the famous Rockettes and a first run movie, the BROTHERS KARAMAZOV. That night we saw the popular musical, L'IL ABNER.

On our last day, our sight-seeing included the Empire State Building, and a tour of Wall Street, Chinatown, and the Bowery. That evening our group disembarked from the train at Attleboro, foot-sore and exhausted.

How we got from place to place.

Franciscan Monastery.

Jamestown Bay.

Tomb of the Unknown Soldier.

Smithsonian Institute.

 Advisor - - - - - MRS. JEAN FINDLATER

The Student Council has been very active this year. One of its most important accomplishments was the creation of the Gold Key Society. The Handbook of Rules for the school is near completion. It will be published in the spring, and will then be sold to all students of the high school.

Our annual assembly without the faculty was held and was a great success. As usual Sports Night, our one money-making event, was held in March with returns going to the Scholarship Fund. The Student Council has also adopted a standard pin for each member, and the number of years of service is designated on a detachable guard. Two school songs have now been adopted, one to be used at basketball games and the other to be used at assemblies. We are now in the process of securing a standardized school ring with the help of representatives from the Sophomore Class. Norton High's Student Council has membership in both the State and National Associations of Student Councils.

# GOLD KEY SOCIETY

Captain - - - - - DONALD ROY  
Lieutenant - - - - - DIANE D'ANGELO

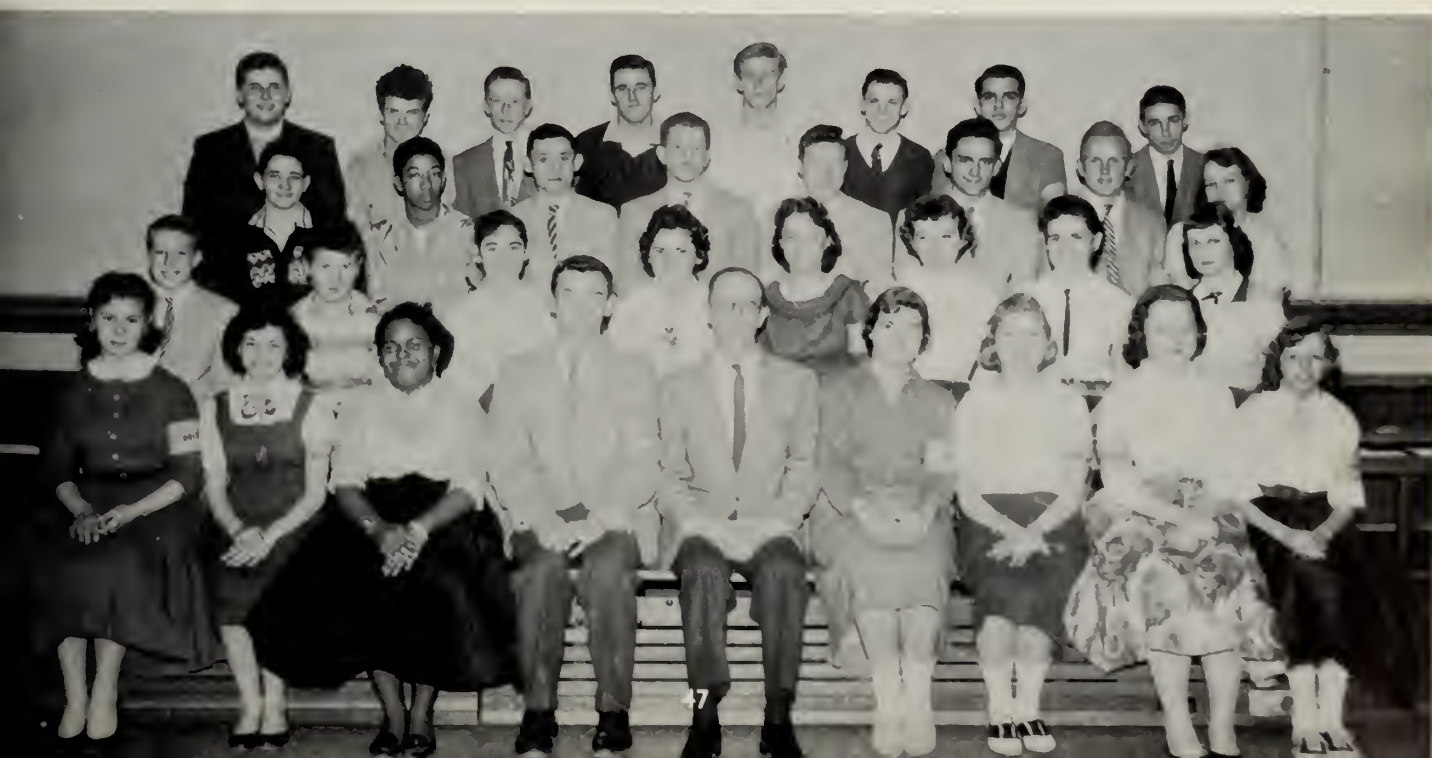

In the Fall of 1957, the Student Council decided to form a service organization for the school. The Student Council met with the faculty and made plans for the organization to be called the "Gold Key Society." A captain and a lieutenant were chosen as officers of the Society, and Mr. Henri Yelle was voted to be the faculty advisor.

By December 13th, all of the necessary plans were completed and on that date thirty-seven students from Grades 7-12 were inducted into the Gold Key. They pledged to promote the welfare of the school and to be of service to the High School in any area needed. The Student Council furnished the Society with gold armbands.

The members of the Society do numerous things and voluntarily give much time for the betterment of the school. They continuously monitor the corridors, basements, cafeteria, and playgrounds. These members also keep the corridors clean.

Another important duty of The Gold Key Society is to act as ushers at school assemblies. Members also serve as guides to visitors and are guides at special events. Service credits are awarded to each member for their helpful service to their school.

Although it has been in existence only one year, "The Gold Key" has become one of the most important organizations in the school system and is receiving enthusiastic support of the students and the faculty.

The Latin Club consists of members of the high school who took at least one year of Latin. In the fall, the Latin Club presented a Roman breakfast at which the freshmen were made members. Later, in December, the freshmen were initiated. However, the big event of this year was the Junior Classical League Convention which was held at Norton on May 10th. A Roman meal from eggs to apples was served by the freshmen and all wore Roman dress. The scenery was Roman, with an Appian Way and temples, and the convention was entertained by dancing and tumbling acts. The principle speaker was Mr. Beye from Yale University. Later in the spring, the Latin Club attended a Tea and Dance at Taunton High School.

The members of the Latin Club hope to attend a motion

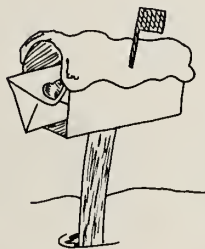

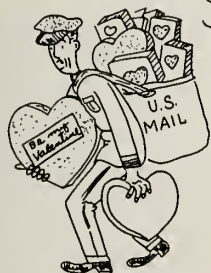

picture with a Roman background in the event that such a picture should come to a neighboring theatre. At the end of the year, the Latin Club held their traditional slave sale. At this sale, the freshmen were auctioned off to the older members of the club, according to the highest bidder. After they were sold, each slave served their individual masters for one full week.

Norton's chapter of the National Honor Society inducted eleven new members at special induction ceremonies last spring. Sophomore, Junior, and Senior students who have received an average of 85% or better throughout their high school years are eligible to join the society. Each year fifteen per cent of the Seniors, ten per cent of the Juniors, and five per cent of the Sophomores are selected by a committee of five faculty members. Students are chosen on the basis of character, leadership, and service. This year, the National Honor Society took charge of the United Nations Day assembly. A skit on U.N. Day was presented and Superintendent Laurence G. Nourse was the guest speaker. In March, several other members were inducted.

The Science Club was formed this year for the first time in five years. The members have seen various films pertaining to scientific fields. Some of these were the Science of Crime Detection, Engineering, and Guided Missiles. During the year, the members will also make various projects.

# ORCHESTRA

Director . . .

MR. NAHUM GILLESPIE

The high school Orchestra has participated in many school assemblies. Twenty members who play such instruments as the violin, trumpet, cello, flute, clarinet, trombone, piano, bass violin, and cymbals make up the orchestra. On last year's graduation night, the orchestra played the march from "Aida" as members of the graduating class proceeded toward the stage. The high school or-

chestra also played at the annual all-school concert held last spring and also gave a few selections at the Christmas Pageant held in December.

## GLEE CLUB AND CHORUS

Director - - - - - MR. NAHUM GILLESPIE

The high school Glee Club and Chorus has presented many choral selections in school assemblies throughout the year. Members consist of students from grades nine through twelve. These members have actively participated in Graduation exercises, the Christmas Pageant, and the annual all-school concert.

## ART CLUB

MRS. REGINA CALVEY - - - - - Advisor

The Art Club is under the direction of Mrs. Calvey, the Art Supervisor. Consisting of grades seven and eight, the club learns how to pencil sketch, to use water and oil paints, and to color work. The members also draw cartoons, landscapes, and portraits at their meetings every week.

## WHAT'S WHAT FOR TEENS

MRS. CAROLYN COOPER - - - - - Advisor

The What's What For Teens is comprised of girls from the seventh and eighth grades only. Meetings are held every two weeks in which the girls conduct discussions pertaining to teen-age problems and activities. Both grades have started on a dancing participation program.

This year, the Varsity "N" Club was formed for the first time. This club is composed of athletic students who have received varsity letters in sports of their choice. The club's purpose is to promote more school spirit and to raise money for a Sports Banquet in the spring. In order to raise this money, the club has sold purple and gold pins and shakers, sponsored a cake sale, and sold refreshments at basketball games. A dance was held in November for this purpose. The Varsity "N" Club planned to sponsor a basketball game between the seniors and next year's varsity team.

## GYM LEADERS CLUB

Advisor - - - - - MISS ELOISE HODGKINS

The Gym Leaders Club consists of a representative from each gym class. During their meetings, they learn what the various gym classes will be taking up so that in the event of Miss Hodgekins absence, they can take over. The club has been of great value to the instructor of this department.

The present program consists of volleyball, basketball, tumbling, and softball.

# ACTIVITIES

"We look with pride on Queen Annette's reign."

# JUNIOR-SENIOR PROM

The school year of 1957 ended with the presentation of the Junior-Senior Prom sponsored by the Junior Class. "La Rue de Paris" was the theme and was continued by an attractive sidewalk cafe where members of the faculty and their guests observed the dancing.

Guests and parents were introduced to the faculty and seniors through the Receiving Line at the beginning of the Prom and later watched the Juniors and Seniors in the Grand March. Annette LaRosee was chosen Queen and was attended by Diane Marshall, Cynthia Winsor, Grace Lynch, and Joan Phillips.

"The night is still young."

"And with true spirit thus they came."

"Parting in such sweet sorrow!"

"Patience is a virtue."

# GET ACQUAINTED DANCE

The school year got off to a good start with a Get Acquainted Dance held on Sept. 27, 1957 sponsored by the Senior Class and Student Council. The dance was one of the most successful of the school year and was attended by grades seven through twelve. A large number of the school faculty and alumni were present. The gym attractively decorated with autumn leaves, was done by Student Council, and the Senior Class was in charge of refreshments and the sale of tickets.

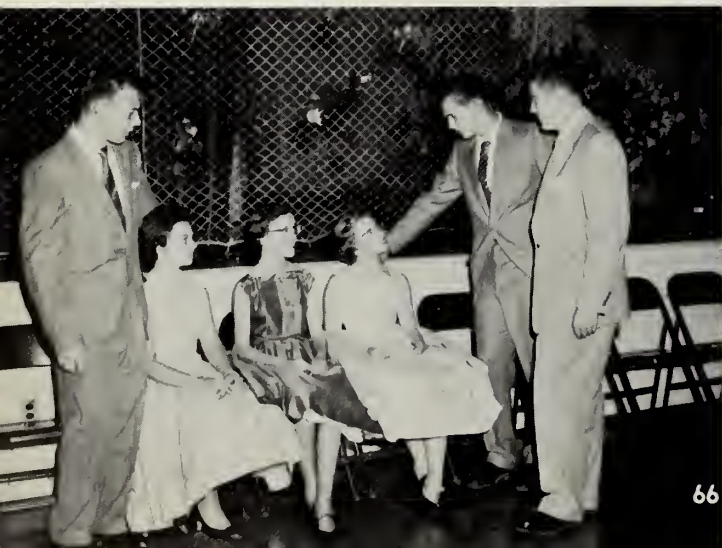

"The long and the short of it."

"The Governor came also."

"Sophomores are already acquainted!!!"

"I could have danced all night!!"

The Victor!!

# LATIN CLUB INITIATION

In December, under the direction of Mrs. Findlater, members of the freshman Latin class were initiated into the Latin Club. Blindfolded, the freshmen were first killed. They then ate Caesar's eyeballs and intestines. Having done this, they walked the plank and crossed the River Styx to Hades. Afterwards, each student performed an individual stunt in order to come back from the lower world. Along with the freshmen, Mrs. Calvey, Mr. Lopes, Mr. Reade, and Mr. Amaral, high school teachers, were initiated.

# CHRISTMAS DANCE

This year's Christmas Dance was held on December 20, 1957 in the school auditorium. This dance is traditionally sponsored by the Senior Class. This year, the dance was called the "Saint Nook-Nick Dance" with the central theme being an aluminum sphere of Sputnik suspended over the dance floor. The auditorium was also decorated with brightly lighted Christmas trees, silver stars and Christmas designs made of Christmas cards.

As usual, this dance was widely attended by grades seven through twelve and the faculty. It was one of the most popular of the year.
